YOMEMA's Care for Care CAPACITY PROGRAM to The NETHERLANDS

HOW DOES IT WORK?

- If your profile matches with the described profile you can apply and you will be invited for an interview.
- YOMEMA searches for the best place where the internship can take place.
- You will be interviewed via a Zoom conference to establish which place for internship matches with you the best.
- If all is well you'll start a 24-26 weeks (6 months) course in Indonesia to learn basic Dutch.
- You'll fly to The Netherlands to start your education and mandatory internship of 4 years in total.
- After finalizing your education program of 4 years (you've graduated), you can be offered a job at either the company where you have done your internship or at another employer within the YOMEMA network.

YOUR PROFILE

Level of education:

1. S1 or D-IV with NERS.
(fresh graduates are welcome to apply), or
2. S1 or D-IV with STR with at least 1 year experience.

Age:

Preferably aged 22 - 32 years.

Working Experience:

1. Not necessary for S1 or DIV with NERS.
2. Minimum 1-year experience for S1 or DIV without NERS

Holidays:

24 days per year at the internship. This does not include Easter, Pentecostal Holidays, Christmas nor New Years

Study load:

38 hours/week (of which partly is the internship)
